At Winning Smiles Dentistry, we have a big appetite for learning, creating, executing, and most importantly, delighting. We've grown over the years and continue to grow with no bounds in sight.

We are a game-changing comprehensive dentistry dental office that knows its power comes from its people and new technologies. The passion and innate curiosity of the Winning Smiles team is felt in all aspects of the business. Our collaborative and comfortable work environment is filled with highly driven people, and we challenge one another & hold each other accountable to stretch our abilities and pioneering mindsets to follow the Winning Smiles Dentistry Philosophy Way for "THE PERFECT HEALTHY SMILE FOR EVERYONE".

### **We make strong moves.**

Whether it's making a commitment or winning a cupcake-eating contest in front of cheering co-workers, we embrace people who are willing to push things forward with bold actions following the company's board-of-directors leadership direction. We are an entrepreneurial team with good ideas and an appetite to learn. We surprise and delight at every turn, while creating an environment that recognizes the achievements of others. It's our recipe for success.

### **Who we are?**

Witty. Vivacious. Smart. Determined. We're a lot more than just a dental office. Our foundation is built on people who communicate, collaborate, and create exciting experiences for explorers around the community, state, and world. If you love to work hard, have fun, and want to spend your time bringing people together in the spirit of living large and saving money, you'll be in good company with our company's board-of-directors leadership direction.
